

# DANGEROUS GOODS DRIVER LICENCE COURSE

## AIM

This course provides the knowledge of dangerous goods road transport legislation and the Australian Dangerous Goods Code (ADG 7)

The dangerous goods classes covered are 2,3,4,5,6, 8 and 9.

Upon successful completion of the course the driver is able to approach their State or Territory Regulatory Authority and apply for the issue of that State or Territory's Driver Authorisation/Licence.

The two day course covers all aspects of the ADG Code and the relevant legislation including Classification, Marking, Documentation, Stowage and load restraint, Segregation and Compatibility plus Responsibilities of the individual involved.

## DESIGNED FOR

For persons who wish to obtain a dangerous goods driver authorization/licence.

## DO YOU NEED A LICENCE?

A dangerous goods driver licence is only required for transport of dangerous goods in the following cases:

- in a receptacle with a capacity of more than 500L
- if there is more than 500kg in a single receptacle
- in the case of intermediate bulk containers (IBCs), where the total capacity of all IBCs is more than 3000L or where any IBC is filled or emptied while on the vehicle.

(Reference NSW DECCW dangerous Goods Licence Application form, general information).
