

Safe Driver Training

AIM

This course involves the high-level safe driving skills and knowledge required by drivers to enable them to apply safe driving behaviours. This includes higher order skills, such as hazard perception, observation techniques, risk control and safe driving judgement, decision making and multi-tasking. Safe driving behaviours must be able to be applied without supervision.

CONTEXTUALISATION

Transqual will develop/contextualise the presentation to meet our customer's individual requirements.

PRE-REQUISITES

Minimum of a 'C' Class Drivers Licence.

CONTENT

- Road Transport Law
- Define and apply safe car behaviours in either a car or heavy vehicle
- Risk management
